

Interested in learning about farming and farm animals?

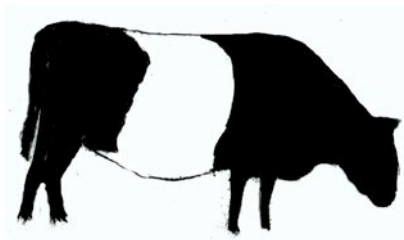

The Woodville Trailbusters 4H club is now offering livestock projects at the Breakneck Hill Farm in Southborough.

We are currently looking for young people with an interest in agriculture and who might want to work with animals. The goals of this group will be to build skills related to agriculture and animal husbandry in a safe, fun environment, building self-esteem and leadership along the way. The only requirements for membership are to be 8-18 years old as of January 1st, a \$50.00 yearly Mass 4H membership fee and an interest in learning and working with others. We hope to show some of the cows next summer in the 2009 Middlesex County 4H Fair.

No farm background required.
You do not have to own your own animal.
Monthly meetings starting in Nov 2008
Ages 8-18

Please contact Paul or Laurie Bourdon if you are interested or know someone who might be interested.
